dacy for the office of Justice of the
Peace of Precinct No. 7.

June.
Hot and dry.
The rain will come.
What of the new court house.
Good times are ahead for Roswell.
The next good news will be the
Hondo order.
The building of the Hondo Reser-
voir is an assured fact.

Roswell is on easy street so far as
the reservoir is concerned.

The Territory will soon be divided
into six judicial districts.

Kansas is listed as a dry state, but
this week she is going wet.

Do not be surprised any day to
read the government order for the
building of the reservoir.

The St. Louis exhibition gives ev-
ery promise of surpassing the World's
Fair at Chicago in every particular.

Postmaster Is Sinking.
It was reported this afternoon that
Postmaster J. B. Mathews was as
low as a man could possibly be and
live. He has been unconscious for
three days, failing to recognize any
of the members of the family and
there are not any hopes entertained
for his recovery.

You Auto.
You "auto" take a ride in Stockard
& Auld's auto. If you will it will not
be a case of auto again, but you'll
go again and tell your friends they
auto.

keep it, tell him he can get it at the

TO ARTESIA.

Mrs. Ella Davidson Will Have Charge
Of The New Gipson Hotel.

Mrs. Ella Davidson and daughter,
Miss Millie, left last evening for Ar-
tesia, where they will make their fu-
ture home. Mrs. Davidson has been
a resident of this city with her family
for six years, coming here from Carls-
bad. She has conducted a boarding
house most of the time since being
here and has recently conducted the
boarding house on Main street next
to the Texas Block. She has made
many friends since being in the ci-
ty. Mrs. Davidson will have charge of
the new Gipson Hotel at Artesia and
her many friends here wish her suc-
cess in her new undertaking. Her son
Cyrus Davidson remained in the ci-
ty and will have his old position with
Stringfellow and Tannehill. Mrs. David-
son is a sister of Mrs. Church of
this city.

NEW BOWLING GAME.

The Bowlers Are Interested in The
New Set Back Game of Cinch.
When Ellison Carroll was in Kan-
sas City a few days ago he bowled
on the new stock yards alley, and
learned a brand new game, which he
claims is ahead of anything else in
popularity in the bowling line. He
handed a copy of the rules to the bow-
lers here and now everybody is play-
"cinch," pronouncing it more enter-
taining than any other bowling game
they ever tried.

C. W. Waddell, the Blaze Killer man
returned last evening from a trip to
El Paso and reports a most success-
ful time. He was accompanied on the
trip by his son Orville and the little
fellow who has been ill for some time
seemed to be benefitted by the change.
Mr. Waddell removed here from
Wisconsin on account of the health
of his son and the boy has been won-
derfully benefitted since he came to
the Valley. He suffered an attack of
pneumonia shortly before they came
to the Valley and was in a serious
condition for some weeks.

Miss May Belle Slaughter, of Ft.
Worth is in the city the guest of her
cousins, Mr. and Mrs. George M.
Slaughter and will remain in the city
for several weeks. This is her first
trip to Roswell and she is carried
away with our beautiful city.

Triumphs of Modern Surgery.

Wonderful things are done for the
human body by surgery. Organs are
taken out and scraped and polished
and put back, or they may be removed
entirely; bones are spliced; pipe-
lines take the place of diseased sections
of veins; antiseptic dressings are ap-
plied to wounds, bruises, burns and
like injuries before inflammation set-
in, which causes them to heal with-
out maturation and one-third the time
required by the old treatment. Chan-
berlain's Pain Balm acts on the
same principle. It is an antiseptic
and when applied to such injuries
causes them to heal very quickly. It
also allays the pain and soreness.
Keep a bottle of Pain Balm in your
home and it will save you time and
money, not to mention the inconve-
nience and suffering which such in-
juries entail. For sale by all druggists.
